Stradbroke Primary School

This is how we stay safe when we use IT equipment such as computers and I pads:

- We will ask a teacher / an adult if we want to use IT equipment.
- We will only use activities that the teacher /an adult has told or allowed me to use.
- We will take care of the computer, I pad and other equipment.
- We will ask for help from the teacher / an adult if we are not sure.

What to do or if we think we have done something wrong.

- We will tell the teacher / an adult if we see something that is upsetting on the screen.
- We know that if we break the rules we might not be allowed to use IT equipment.
