

MAST School Advice Sessions available now...

Would you like some information, advice and support from one of the MAST team?

Do you need support with...?

- Managing challenging behaviour
- Making your home a more positive place for whole family
- Improving routines and boundaries
- Supporting your child's emotional or mental health
- Finding or accessing services to support your family's needs

Your MAST Link Worker and school will work together with you to help to address your family's needs and create happier children and families.

Advice sessions can be face to face in school, or by zoom

You can request an advice session through your school. Just ask your class teacher, pastoral lead or a member of reception staff

Multi-Agency Support Teams (MAST)
