Parents' Evening Conversations

Dear Parents and Carers,

Public Health advice to school is to continue to operate with caution when considering face to face contact. Therefore, given the multiple interactions that a traditional parents' evening has, we feel that it is wise at this time to continue to hold parents' evening conversations over the phone, as we did last year.

This will take place on multiple days depending upon your child's year group in the fortnight after half term (see timetable on reverse). **You will be sent a text with a link to an online booking form next week** where you can select your desired time to receive your phone call – you can select multiple options. Please do bear in mind, however, if certain time slots are in high demand it might not be possible to make all of the phone calls during that time, therefore, please try to be as flexible as possible. If you are completely unavailable on the night of your child's phone calls, please speak to the teacher to arrange an alternative. Please do make sure that you book a time as it would be really useful to speak with as many of you as possible about the progress your children are making and how you can be supporting their learning further at home.

If you have already had a SEN meeting this year, or have an upcoming SEN meeting scheduled, you do not need to have an additional conversation with your child's class teacher, as the SEN conversation will have covered all the main discussion points.

If you have any queries, or any issue accessing the online booking form, or do not receive the text link for any reason, please call the school office or speak to the class teachers in the morning or at the end of the day.

Best Wishes,

Mr Sitch
Headteacher
