Stradbroke Primary School

Learning for Life!

16th December 2021

Christmas Productions

Our Christmas performances are finally complete and you can access the links for each production from our website homepage www.stradbrokeprimary.uk and clicking on the Christmas 2021 tab. We hope that you enjoy them. There is a Foundation Stage Nativity, the IR's Silent Nativity and I Wish It Could Be Christmas Everyday pop video as well as Y1 – Y6's Carol Concert.

Thank you to Stradbroke Community Centre for helping us put together the carol concert. The children have worked very hard in learning the songs, their readings and lines and performing them. Thank you to all of the staff as well for your efforts in producing them. I very much hope that next year the health situation will permit us to be able to have large live audiences again in school and that you can see the children perform in person.

Parent Governor

Thank you to everybody who voted in the Parent Governor election and a very special thank you to the two candidates who both bravely put themselves forwards for the role. The voting has now closed. It was a very close election result, with two very worthy contenders for the post. I will speak to both candidates first and announce the new governor in the New Year. Once again, thank you if you took the time to cast your vote.

Thank You and Merry Christmas!

Thank you so much to everybody in our school community for your fantastic support and efforts during this school year so far. I have been incredibly proud of the children's effort and learning this year, who have managed to enjoy something much closer to normality than the previous couple of school years.

I have been equally very proud of all of the teachers and support staff, who similarly have put in outstanding effort and professionalism throughout this term, adjusting to the changing requirements and continuing to strive for the best possible learning and care for all of the children here at Stradbroke.

I hope everybody manages to have a wonderful time over Christmas and come back ready for 2022, which I hope is a safe, happy and healthy year for everybody.

Tuesday 4th January is a teacher training day, so school will reopen for everybody on **Wednesday 5th January 2022**. Should any further restrictions come into place, which affect schools, over the holiday period, I will endeavor to let you know with as much notice as possible.

Merry Christmas and a Happy New Year from everybody at Stradbroke Primary School,

Best Wishes,

Mr John Sitch
Headteacher
