## Year 2 tree planting at Richmond Park

Dear Parent/Carer,

On Wednesday 12<sup>th</sup> January, we will be joining the 'Friends of Richmond Park' charity to assist them with a community tree plant. This will be a valuable experience allowing children to get involved in a local project and make a difference within their community. There will also be links to science with children learning about the different types of trees and how to identify them.

To make this visit an enjoyable experience, we ask that on Wednesday you send your child with a spare pair of suitable outdoor shoes (preferably wellies) so that they can change into them for the visit. Please ensure they come to school in their usual footwear so that they have something clean to change into afterwards as we will be back in school in the afternoon. They will also need a suitable outdoor coat and a spare pair of trousers for afterwards as we will be getting stuck in with the planting and may get a little muddy!

Thank you so much for your continued support, we look forward to sharing our experience with you and checking in on how our trees are growing throughout the year.

Yours Sincerely,

Mrs King and Miss Crowder
