Y2 Residential March 2022

Dear Parent / Guardian,

I am very excited to inform you that in March there will be an opportunity for your child to attend a residential visit to Whirlow Hall Farm.

Whirlow Hall Farm is a Sheffield based charity. They provide carefully structured activities that link to the National Curriculum and offer children the chance to experience life on a real farm. This residential visit is a rare opportunity for children to develop independence skills and gain valuable life experience away from home. The trip will involve planned activities taking part across two days with one overnight stay in either the barn or farm house. Half of the children will depart school on **Wednesday 16th March** and return on **Thursday 17th March** and the other half will depart on **Thursday 17th March** and return on **Friday 18th March**.

The cost of the visit will be **£38**. This includes return travel, all meals and snacks, accommodation and a full programme of activities.

To confirm your booking, an initial deposit of £10 will be required by **Friday 4th February**. As there is a limited amount of accommodation, only **48 places** are available on the residential trip and these will be allocated on a first come first, served basis. Deposits can be paid via parent pay and once all the places have been allocated, no further deposits will be taken but we can create a reserve list should children drop out or not be able to go.

You are invited to attend a zoom meeting on **Thursday 13th January at 4pm** to provide you with further information about the trip and answer any questions you may have. The zoom details will be text to you prior to the date and it should last no longer than 30 minutes. In the meantime, if you wish to find out more about Whirlow Hall Farm, their programmes and safety information please visit <http://www.whirlowhallfarm.org/>.

Yours Sincerely,

Mrs King
