

Y5 HOME LEARNING FOR THE SUMMER TERM

FORCES, EQUALITY, POLLUTION

Each complete project will earn you **Raffle Tickets** or **Golden Tickets/Class Dojos**.

GOLDEN TICKET
CONGRATULATIONS YOU ARE A
WINNER!

Create your own piece of expressionist artwork.

Invent your own healthy dips. Design some packaging, a logo and collect consumer feedback.

Put together a fact file about Emily Davison or Emmeline Pankhurst. (Look them up!)

Research the different ways that people are trying to solve the problem of ocean pollution.

Design your own strategy and invasion game taking inspiration from "Kabaddi".

Create your own solar system out of objects and materials from home. (Can you use materials that you are recycling?)

- Login to TTRS and practise all of your timetables.
- Read to an adult as often as you can.
- Practise your spellings.

Conduct a science investigation into how air resistance affects an object falling to the ground.
