

Y4 Autumn Term Home Learning

Each completed project earns you a golden ticket.

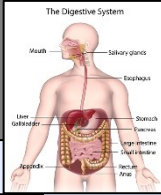

Construct a Roman gladius (sword), pilum (javelin) or shield.

Create an authentic looking Viking longship.

Use modelling clay or plasticine to create a model digestive system.

Investigate and write a report on human teeth.

Build a replica, authentic looking Viking helmet (they didn't actually have horns).

Recycle and reuse materials at home to make a climate change themed board game.

Each week:

Practise the spellings you are given.

Read as often as you can to an adult.

Practise your times tables on TT Rockstars.
