Y5/Y6 ESFA Boy's Football Tournament - Champions!

On a sunny but breezy evening, the boys from Stradbroke were preparing to play their first tournament of this academic year on home soil.

After a quick warm up, we were ready to face Athelstan. As we got into formation, you could sense that a captivating tournament was about to commence. Parents from both teams were stood by the touch line. Mr Matthews was given his final instructions by Mrs Myers before he reminded the boys to leave everything on the pitch. It was a very tense match, as neither team wanted to concede the first goal. Ethan Widdowson, who oozed in confidence between the sticks, demonstrated some calm passing to the full backs and Leland Parker was proving to be a handful down the left hand side. After some fantastic build up play from Abel Wallace, Mo Bangoura finally broke the deadlock. After a mazy run through their defence, his powerful shot found its way into the bottom corner. Corbie Bennett then made it 2-0 by tapping in a dangerously crossed ball into an open net.

The second fixture was against Brunswick. Once again, we were up against a tough opponent. Lucas Hill won countless headers and organised the defence exceptionally well, whilst Jenson Price and Mason Mitchell both battled hard in the centre of midfield. With the match seemingly about to finish 0-0, Samir Zayatte decided to take matters into his own hands. Logan Rhodes played a brilliant ball down the line, which Samir managed to latch on to before striking a thunderous shot across the goalkeeper. In the end, the game finished 2-0 as Mo Bangoura doubled our lead before the full time whistle.

In our final game, we played Rainbow Forge. With two victories already to our name, the boys were desperate to finish the tournament unbeaten. That is exactly what we did. Samir Zayatte was a persistent problem for their defence during the entire game, and just before half time, he was able to confidently slot the ball into the bottom corner. The game ended 3 - 0. We finished the tournament as winners without conceding a goal!

Overall, it was a tremendous tournament. The boys played some phenomenal football and they represented Stradbroke magnificently. Because of our astounding victory, we have now qualified through to the next round. The journey continues... - Mr Matthews

Y5/Y6 ESFA Girl's Football Tournament

I could not be prouder of this enthusiastic and passionate group of young ladies for their efforts at the football tournament which took place here at Stradbroke. For some of the girls, it was their first time participating in a competition and they represented the school superbly.

In the first game, the girls came out raring to go against Woodthorpe. The girls played impeccably well, making excellent passes, through balls and demonstrating great footwork. As a result, Harlow bagged 5 goals and Evan scored 1 giving us our first win, 6-0!

In our second game, the girls were up against a very organised Brunswick side. We continuously battled and Esmat put in some tremendous tackles to keep the score line level at 0-0. However, Brunswick just managed to put one goal past us and despite our many efforts we couldn't pull the score line back and the game finished 1-0 to Brunswick.

After a short break, it was time for the second round. We were up against Woodthorpe again. Straight from kick off, Woodthorpe put us under pressure and forced us to play much more defensive than before. However, we worked fantastically as a team and Courtney made some brilliant clearances to get the ball up the pitch and in the end Harlow scored another 2 brilliant goals giving us a 2-0 victory!

Our final game was against Brunswick and it was all to play for. Nervous but focused, the girls got stuck into the game from the off. However, credit to the Brunswick girls who played some fantastic football and scored some brilliant goals. Brunswick came out as 4-0 winners and winners of the tournament.

The tremendous effort from the girls achieved us 2nd place overall which we are all incredibly proud of! - Miss France
