

# Y6 home-learning this term is based around our area of study:

## The Tropics.

Each complete project will earn you class dojos, prizes and the opportunity to present your work in merit assembly!

### Art

Create a portrait painting or drawing of a tropical scene.

Can you use perspective?

### Geography

Research the Tropics and create a fact file, website or non-chron report about the subject area.

### DT

Construct your own island or tropical place for a living thing to live and thrive in.

### Reading

Read a book from the reading list on the Y6 area of the Stradbroke website.

### P4C / Literacy

Write a persuasive argument as to why you believe climate change must be addressed by governments.

### Science

Design a creature which could survive in a tropical climate.  
(Don't forget to include scientific vocabulary.)

## Every week ...

Practise your weekly spellings.

Read as often as you can to an adult.
