Ofsted Report - 7th and 8th July 2022

Dear Parents and Carers,

We are pleased to finally be able to share our Ofsted inspection report with you from last summer. The outcome of the report is that **the school continues to be Good**. You can read the full report via the Ofsted link on the homepage of our website, or ask for a paper copy from reception. We will also text the link out to you for you to be able to follow.

The inspection report is overwhelmingly positive with only one area for improvement, which we were very pleased with. The key highlights from the report are:

- The school is well led with a constant drive to do even better
- Leaders have high expectations of all pupils
- Staff support pupil with SEND well
- Well-trained staff and external specialists provide carefully matched activities to support pupils with SEND effectively
- Good relationship and effective teaching ensure that pupils achieve well
- Incidents of poor behaviour are few and far between and dealt with swiftly and effectively
- Pupils are proud to share their work
- They recall many topics they have learned well
- Pupils recall with enthusiasm a range of books they have read
- Staff feel valued and their morale is high
- Staff establish clear routines for behaviour from the moment children enter the school
- The majority of pupils benefit from a wide range of after-school clubs
- Despite the efforts of leaders, some pupils do not attend school regularly enough. There are too many occasions when parents and carers do not bring children to school
- Leaders have identified many opportunities for pupils' personal development
- The arrangements for safeguarding are effective, pupils trust the adults in school to help them with any problems

We are very pleased with the findings of the inspection, as I hope you are, and would like to thank all of the Stradbroke community for your support in contributing to such a positive outcome.

Best Wishes,

Mr Sitch
