Stradbroke Primary School

Learning for Life!

31st March 2023

Thank you...

As the spring term draws to a close, I would like to thank you all for your ongoing support. There was a lovely atmosphere around school on Parents' Evening and it was fantastic to hear so many of you receiving positive reports about your child(ren)'s progress. Additionally, thank you to those of you who have attended our Easter Bonnet Parades in Reception and Y1 and the 'Stay and Play' events in Little Teds and Nursery this week – it means a lot to us and the children as well. We really do appreciate the lengths you all go to, to support your children's education, whether that be helping them to decorate an Easter Egg or reading with them and helping them to complete their home learning. Thank you.

For those of you who follow us on Twitter (@StradbrokePri), I'm sure you will have seen there has been a lot to shout about this term. Here are a few snippets of some of the fun, memorable learning experiences from across the school: Foundation Stage through to Y3 had an assembly visit from Malcolm Hogan, the author behind the Granny Norbag series; Nursery and Little Teds have learnt all about jungle animals; our Reception children visited The Deep as part of their Oceans topic; the Y1's went back in time to discover what life was like for children during their Victorian Workshop; our Y2 children loved their residential visit to Whirlow and learnt about farm jobs and some experienced being away from home for the first time; our IR children had an amazing time skating at Ice Sheffield and survived unscathed; the Y3's have written and performed hilarious instructions on 'How to be Mr Nash'; the Y4's have produced excellent watercolour artwork and created their own landscapes inspired by the greats; the Y5's have created a fantastic art display next to the sensory garden raising awareness of the harmful impacts of plastic pollution which has also been the focus of their Literacy learning; our Y6 children have produced some incredible artwork depicting their 'Dreams and nightmares' which are featured on display in the corridors. There have also been some fantastic extra-curricular opportunities including Coding Club, the Sheffield Eagles Rugby Club, and the Team Building Club, to name just a few...

Pre-loved uniform

A gentle reminder that if you have any preloved uniform that is no longer required, please consider donating via the collection box in the main entrance foyer of school so that it can be sorted and distributed. Collections will be made daily to keep the pile low. A pop-up stall distributing uniform will be present near the school foyer on Wednesday 19th April.

Conduct on the school site

Recently, it has been drawn to my attention that a number of people have been overheard using foul and/or aggressive language whilst on the school yards. As I'm sure you will agree, this is completely unacceptable. Can everybody please remember that you are in a primary school with lots of impressionable children around and that our conduct as adults should be setting the example of what we would expect from them. Thank you for your cooperation.

End of Term

Friday 31st March marks the end of the spring term when we break up for two weeks holiday. We then return to school on Monday 17th April for the summer term. We hope you all have a wonderful Easter break!

Best wishes,
Stephen Nash
Deputy Headteacher
