## Y6 SATS: May 9<sup>th</sup> – 12<sup>th</sup>

Dear Y6 Parents and Carers,

As I'm sure you are aware, Y6 SATS week is fast approaching, and the children have been working towards these exams for many weeks now. The SATS are a culmination of the hard work and effort that the children have been putting into their learning throughout Key Stage 2, and as such, play an important part in demonstrating what they are capable of and the results can have an impact at secondary school. Therefore, it is vital that the children attend every day and are on time and prepared for their exams. If you are going to be late or absent on any day, please let us know as soon as possible so that we can try to make alternative arrangements, as absence or delays can impact upon other children taking the tests and adults administering them.

Children in Y6 will be able to enter school and go to their classes from 8:30am each morning to prepare and revise before the exams start if they wish. To celebrate their efforts over the week, we will also have a party for the Y6 children on the Friday afternoon after the exams.

The timetable for the week is as follows (NB. Monday is an additional bank holiday following the King's coronation):

| Tuesday                  | Wednesday     | Thursday  | Friday                  |
|--------------------------|---------------|---|-------------------------|
| Grammar Paper & Spelling | Reading Paper | Maths Arithmetic Paper 1<br>Maths Reasoning Paper 2 | Maths Reasoning Paper 3 |

I'm sure you'll all join me in wishing the children the very best of luck following all of their superb preparation and hope that they get the outcomes they deserve.

Best Wishes,

Mr. J. Sitch  
Headteacher
