Issue 14 -
June

Welcome to the PE and School Sport Stradbroke newsletter. At Stradbroke, we always try to highlight and showcase our learning and achievements. The aim of this newsletter is to highlight and celebrate our sporting achievements not only in school but outside of school too.

Hockey

Ethan has had an unbelievably 2022-2023 hockey season.

In roller hockey, Ethan's team (Norton Cyclones U10s) became league champions. Amazingly, Ethan's ice hockey team (Sheffield Ice Hockey Academy U12s Thunder) also became league champions. Not only this, but went on to do one better and compete in the nationals and became national champions! Quite simply, this season Ethan has been a champion. Well done, we are all so proud of you.

Y5/Y6 Athletics Competition

On the last day of term, an excited and eager group of athletes visited Woodbourn Road Athletics Stadium along with 6 other schools. They competed in a wide range of events, both track and field, from long jump to 80m sprint.

All children gave 100% effort to their respective events, it was fantastic to watch and cheer them on. There were some stand out performances which included Courtney coming 1st place in the 600m speed walking event. Courtney had a fantastic technique and she did an amazing job at pacing herself for the entire (very long!) 600m distance. She finished lengths in front of the other competitors with the biggest and proudest smile you have ever seen!

Another fantastic performance came from Eva, Amelia, Evan and Lois who got to the finals in the girl's relay race and came 1st place! It was an unbelievable performance from all the girls who ran their hearts out and showed the true determined spirit of Stradbroke. Another gold performance came from Dora, who came 1st place in the rounders ball throw with a tremendous throw.

Due to their fantastic performances, some children even qualified for the Athletics City Finals! An amazing achievement and putting Stradbroke on the map for athletics. - Miss France

Y4 Hockey Festival

On Tuesday 16th May, 8 of our year 4 hockey squad embarked on a journey to Abbeydale Sports Club, where the Sheffield Hockey Club was hosting a hockey event. What was meant to be a competition, actually turned out to be a coaching session for the first half and some friendly matches in the second half. During the first half we played lots of fun games, developing our hockey skills, such as 'rob the nest' and 'relay'. After the break - as we had brought our shin pads - we were able to play 2 matches against Dore Primary. Dore had a whole host of players that train most nights and are a part of clubs, therefore, it was always going to be a tough encounter. Our two teams battled hard against theirs and we gave everything we could. Even though we came second, what was incredibly pleasing was the fact that each and every one of our players showed a huge amount of progress from start to finish. We even managed to score an excellently well-worked team goal. They had lots of fun and represented our school impeccably. - Coach McCarroll
