Y6 Kingswood Residential June 2024

Dear Parents / Carers,

We are very excited to announce that we are once again organising our annual three-day residential trip where we will return to the Kingswood Centre, Peak Venture, near Penistone, in June 2024. As a school, we have been visiting Kingswood since 2015, and each year it has proved very successful.

For parents who are new to Kingswood, they are a leading residential activity centre provider, responsible for delivering safe and rewarding educational programmes to over 130,000 children every year. They offer thrilling outdoor and indoor adventure activities designed to provide the children with a wealth of new experiences outside of the classroom.

Residential courses organised by the school are, of course, an optional but invaluable part of the National Curriculum, and we would love for all children to be able to go. Pupils benefit hugely from the experience, both educationally and socially, and I feel certain that the adventure programme, which we have chosen this school year, will prove to be both enjoyable and very worthwhile.

We would like to offer this opportunity to all pupils from the present Year 6 cohort. The trip will take place from Wednesday 5th June to Friday 7th June 2024. The cost of the visit will be £120 and includes return travel by coach, all meals, accommodation and a full programme of activities led by qualified instructors. School are meeting half the cost for all pupils that attend.

To give you more information and answer any of your questions, we are having an initial meeting on Thursday 16th November at 3.30pm in the Downstairs Hall – it should last no longer than 30 minutes. Please do come along and make sure you are fully informed about this superb opportunity for your children.

Yours sincerely,

Mr John Sitch
Headteacher
